

Marshall County
Shorthorn
Breeders

82nd Auction Sale

MON., FEB. 20, 1956

Marshalltown Sales Barn

MARSHALLTOWN, IOWA

Announcement

All admirers of good cattle are cordially invited to attend the 82nd Auction Sale of the Marshall County (Iowa) Shorthorn Breeders Association on Monday, Feb. 20th.

There are more pure-bred steers in Iowa at present than for a good many years. This would seem to indicate that the early bull buyer would be the wise buyer this time. Remember, there will be a shortage of bulls in all beef breeds this Spring.

Prime beeves are still the highest selling animals in the stock-yards and the only way to produce them is through the use of good bulls. You will like the ones herein catalogued.

We claim without fear of successful contradiction that we are the oldest Shorthorn group in America selling cattle over the block every year, in boom times or bad times, during war or peace.

All of the bulls are of good breeding and many of them are choice individuals. There are several bulls in the list good enough to be a top seller in the average Auction. If you need a real good bull of rich breeding, don't fail to inspect this offering.

The females are also of high average quality and several cows sell with calves at foot.

The footnotes that accompany many of the pedigrees in this catalog will usually be found to be modest and an under-statement of the actual quality present.

Try to be here early. The sale will begin promptly.

SHOW AT 9:30 — — SALE AT 12:45

—HEIFER CLUB PROSPECTS—

We have several extra-good prospects for next year's club competition. Look them over. They will please you.

The Marshalltown Chamber of Commerce will award trophies to the owners of the Champion Bull and Champion female of the Show. A representative of the Chamber will make the presentations just prior to the Sale. The Association appreciates the generous cooperation of the Chamber.

Terms and Conditions of Sale

LOCATION—The sale will be held in the comfortable new Marshalltown sales barn located on South 18th Avenue. This is just south of Main street eighteen blocks east of the Court House. It will be held on Monday, Feb. 20th, at 12:45 o'clock. Intersecting highways make Marshalltown easy of access from all parts of Iowa and adjoining states. It is also on the main line of the Northwestern, Great Western and the M. & St. L. railroads. Marshalltown is 290 miles west of Chicago, 197 east of Omaha and 275 northeast of Kansas City.

TERMS—Cash, settlement to be made with clerk of the sale immediately at the conclusion of the auction. All animals will be at buyer's risk as soon as bid off, but will be cared for and loaded on cars or trucks in compliance with instructions from purchaser. Care will be taken to avoid accident but will not be responsible should one occur.

GUARANTEE—All cattle have passed test for both Bangs and Tuberculosis. Health certificates will be furnished to enable these cattle to go into any state or territory. These bulls are guaranteed breeders if not used for service before they are 14 months of age and if properly cared for and not allowed to run with the herd. If a bull fails to breed, he may be returned to the seller if in as good condition as when bought and if, after three months trial by seller he proves infertile, purchase price will be refunded. All cows with calves at foot and those showing evidence of being with calf at time of sale are considered breeders, and no further guarantee is made with respect to them. All heifers under 16 months old and not yet bred, are sold open and at buyer's risk. All other cows and all heifers over 16 months old at time of the sale are guaranteed to be breeders. Animals returned to seller because they do not comply with guarantee will be at buyer's cost of transportation.

Sale Manager assumes no responsibility in case of settlement.

PEDIGREE CERTIFICATE—A certificate of Registry and Transfer will be furnished with each lot sold, and an application of Registry will be furnished for each calf sold at foot and each unborn calf sold in dam.

LUNCH—At Sale Barn.

AUCTIONEER—C. G. Mason.

FIELDMEN—J. E. Halsey of Wallace's Farmer; Clem Larson, National Association; Albert Hamann, Shorthorn World; Kenneth Fulk, Iowa Beef Expert.

La Perche Rosewood J 2d	Perchino's Potentate
Roan, Lester Tomlinson	White, Lois Kellogg
	Rosewood M 8th
	Red, E. E. Owens

Freebooter's Image is no doubt the best bull that we have ever offered at public auction. To those who saw the great pair of bulls with which we topped the November Marshalltown sale, this may seem a strong statement, but "seeing is believing," and we want you to see this grand young prospect. He carries the head of an impressive sire, is thick, deep, and low-set, with bulging quarters, a splendid set of feet and a rich, red, mossy coat of hair.

Lot 2, Male **DUQUESNE'S ROYAL BOY 2836-744** **Homer A. Long**
 Red, calved Nov. 1, 1954. Bred, owned by Homer A. Long, Grundy Center, Ia.

	Augusta 8th
	Red, Harold Rhodes

Duquesne's Royal Boy is one of the best bulls of our 1954 calf crop. A very dark red short, coupled, low down bull that could make a very good sire of good Shorthorns.

Lot 3, Male MAJOR SPORTSMAN 2843-655 Evergreen Farm

Red, calved Jan. 2, 1955. Bred by Evergreen Farm, Columbus Junction, Iowa;

Calved property of W. D. Dillon, Columbus Junction, Iowa.

2d owner, May 1, 1955, Evergreen Farm, Columbus Junction, Iowa.

Gold Research 15th without a doubt in our mind, is one of the two best bulls ever offered by us at a Marshalltown sale, the other from the same dam, was sold there a few years ago. This bull is very well balanced, being deep and thick, from end to end, with a good head, and the best hindquarters of any bull we have ever offered for sale. Though closely related we have bred eight heifers to him. He's the type of beef bull, most good purebred and commercial cattlemen are looking for. They are hard to find or buy, don't pass him up.

Lot 11, Male

GOLD RESEARCH 18TH 2807-622

A blocky little hunk of bull, although in only fair flesh. Pastured all summer and not put on feed until about Nov. 1. The three Missie females in his pedigree reach back through seven generations of that family to Missie 109, bred by J. L. Reece and sired by Royal Knight, which won his class at the Chicago Internat'l in 1905 and was bought by my father, J. L. Reece, at that time for \$1500.

Lot 20, Male**BROOKSIDE CHOICE 2841-866****R. L. Reece**

Roan, JLR Est & C. Pro'ka	White, Holz Bros.
	Augusta 180th
	Red, J. L. Reece

The sire of this bull was bred by W. V. Harshman, Clements, Kansas, and sired by the Gallinger-bred bull, Killearn Royal Max, which Mr. Harshman bought in September, 1949, for \$4,100. Of all the Augusta females ever in the Brookside Farm herd (my herd) (and there have been many) the three named here are at the very top. This bull has every right to make "a satisfied buyer."

Lot 21, Male ROSEDALE ROYAL LEADER 2D 2816-039 J. R. Fleming, Jr.

Edellyn National Leader cost us considerable money as a calf, but has proved to be the best sire we have ever used. His sons have often topped this, and other sales, and have been successful in many herds. To our knowledge this is the only used Edellyn bull being offered at auction this Spring and is a real buyer's opportunity. Selling in his work clothes, he is sure and right in every way and should go to a first class herd. Don't overlook him.

Evergreen Rosebud is probably as good a heifer as we have ever offered. A full sister to the Grand Champion and top selling bull of last year. I believe she will make a real heifer for some club boy or she will fit in any herd. She is a soggy heifer with two good ends and a middle, and a lot of quality. Pre-tested and calfhood vaccinated.

Only 13 months old and eligible to become a club heifer. Bangs vaccinated and open. Not as "showy" as some at the moment, but should put size and quality in anybody's herd. She is her mother's first calf. Marigold 32 and Marigold 30 were grand old cows and each weighed more than 1400 pounds. Helfred Bapton Major 23rd weighed 2020 when we sold him to another breeder.
